Is better than ever and likes to be driven by young and bold Magnus A Djuse.

Record pace:	1.09,8a
Prize money:	7 256 220 SEK

Greatest victory:	Kentucky Futurity 2017, The Red Mile

Was born in the US and started his career over there. He began to race in Sweden in 2018 for trainer Stefan Melander. He won the Big Noon-cup but after that he scored only two victories during three seasons and the career seemed to get to an end. Went to Daniel Redén last autumn though and after the winter he came back with recharged batteries. Not often we have seen such an improvement on an older horse. He is better than ever. Together with young and bold Magnus A Djuse he is a big outsider here and that suits them perfectly.

3. WHO'S WHO

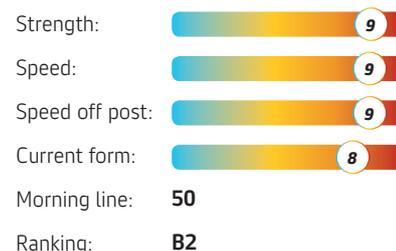

Is all-round and tough. Comes from a big win in Paralympiatravet. Åke Svanstedt now!

Gender:	Stallion
Age:	8
Trainer:	Pasi Aikio
Driver:	Åke Svanstedt
Life:	45 22-5-3
Record pace:	1.10,7a
Prize money:	13 682 759 SEK
Winning %:	49%
Greatest victory:	Swedish Derby 2018, Jägersro

Won three out of five races as a three-year-old but bloomed to his full extent as a four-year-old. Thanks to a victory in the Derby he earned 5,5 million SEK in 2018. He has not raced a lot as an older horse but has shown great skills and he has earned at least one million SEK per season. Has won both Jubileumspokalen and Norrbottens Stora Pris. In his only start over the short distance he scored a nice victory in the lead in Hugo Åbergs Memorial last year. Showed great form to win Paralympiatravet in the last race and the 13-million-dollar-horse is here driven for the first time by Åke Svanstedt. Pasi Aikio has been the trainer from day one.

2. ADMIRAL AS

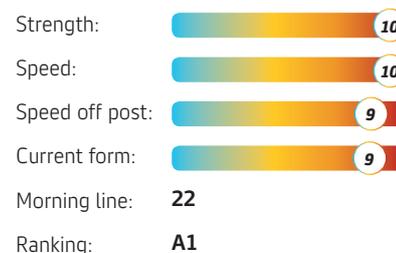

Makes his debut here against international opponents. Is new but has enormous capacity. Interesting number.

Gender:	Gelding
Age:	6
Trainer:	Reijo Liljendahl
Driver:	Per Lennartsson
Life:	31 19-1-0
Record pace:	1.10,8a
Prize money:	2 224 000 SEK
Winning %:	61%
Greatest victory:	Silverdivisionen Final 2021, Solvalla

Wins often and has 19 victories in 31 starts. Only twice he has been defeated when avoiding a mistake. But he has not competed in the Golden Division yet and of course this start in the Elitloppet is by far the toughest task. He showed very good speed over the English mile already in Fyraåringseliten but galloped second up to Ecurie D. who won in 09.2/1609 meter. Scored many V75-wins last year and had lots of energy left. Reijo Liljendahl knows what is needed for this kind of races and this is one of the most exciting horses in the field. Is driven for the first time by Per Lennartsson.

4. HAIL MARY

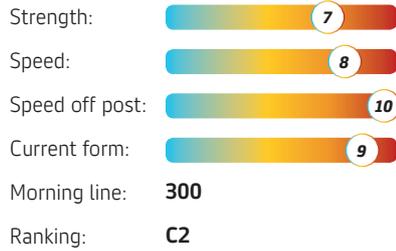

The best horse in Sweden as a four-year-old but got problems after that. Looked splendid in the last comeback for a new trainer though. Early contender.

Gender:	Stallion

Trainer:	Daniel Redén
Driver:	Erik Adielsson
Life:	27 20-3-0
Record pace:	1.10,1a
Prize money:	7 694 000 SEK

Greatest victory:	Swedish Derby 2020, Jägersro

Won eleven out of the first twelve starts and as a four-year-old he earned a lot of money in Margaretas race. Won both the Derby and Breeders' Crown after that and showed the extraordinary capacity he possesses. Earned 6,8 million SEK by scoring twelve wins in 14 starts. As a five-year-old he had lots of problems though and he won only twice and got a long break. Moved to trainer Daniel Redén last autumn and after a fantastic comeback the top horse is now one of the big favorites. Is driven for the first time by Erik Adielsson.

5. NIGHT BRODDE

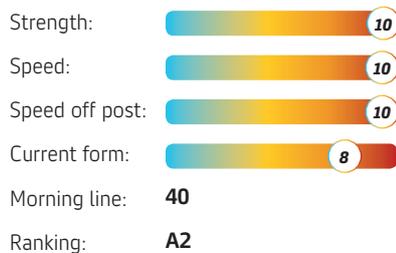

Every season he has become better and better. Comes from a third spot in Paralympiatravet. The last horse to make it to Elitloppet.

Gender:	Stallion
Age:	7
Trainer:	Conrad Lugauer
Driver:	Conrad Lugauer
Life:	60 18-6-5
Record pace:	1.09,5a
Prize money:	3 250 115 SEK
Winning %:	30%
Greatest victory:	Elitsprintern 2021, Solvalla

A product of the Lugauer stable. As a three-year-old he didn't show that he might be a horse for Elitloppet. Improved as a four-year-old though and won a Margaretas race but also a heat and a final in the V75. Set his record (09,5/1640 meter) when he scored a nice win during this weekend last year and this season he has become an established top horse in Sweden. Won the Golden Division two starts back and was third in the last Paralympiatravet. He was voted by the Swedish people as the last horse in this edition. As always trained and driven by popular Conrad Lugauer.

7. VIVID WISE AS

Has earned most money in the field and during several seasons he has been a superstar. Chases revenge from last year.

Gender:	Stallion
Age:	8
Trainer:	Alessandro Gocciadoro
Driver:	Matthieu Abrivard
Life:	66 27-7-7
Record pace:	1.08,6a
Prize money:	19 527 607 SEK

Greatest victory:	Prix de France 2022, Vincennes

Has earned ten million SEK the last two years and been very successful in the bigger races in Europe. He is good both over the short and the long distance but the victory in Prix de Paris is his biggest so far, money-wise. Took revenge on Etonnant for the second spot in Cagnus Sur Mer in the last race despite a trip outside of the latter one. As a favorite he finished second to Don Fanucci Zet in last year's edition of Elitloppet and chases revenge this season. Has been driven by Matthieu Abrivard lately and he gets a new chance here. Trained by Alessandro Gocciadoro. One of the favorites.

6. MISTER F.DAAG

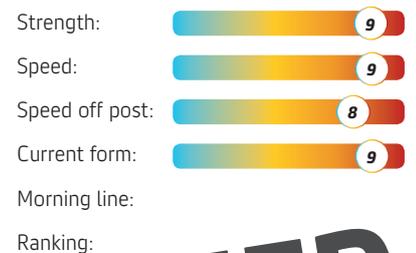

Finished to victory in the last Copenhagen Cup and is back in good shape again. All-round.

Gender:	Stallion
Age:	7
Trainer:	Paul J P Hagoort
Driver:	Robin Bakker

Won the German Derby and has competed in the European circuit during his whole career. He has won in no less than six countries. He scored a nice victory in home country Germany at the end of December and beat Vernissage Grif. Comes from a victory in Copenhagen Cup, the biggest race in Denmark. He won after a splendid finish and showed great form. First performance in Sweden today and successful Robert Bakker is the ordinary driver. The horse has 16 wins in 34 starts and he really has the right attitude. Paul J P Hagoort is the trainer. Typical outsider.

8. EXTREME

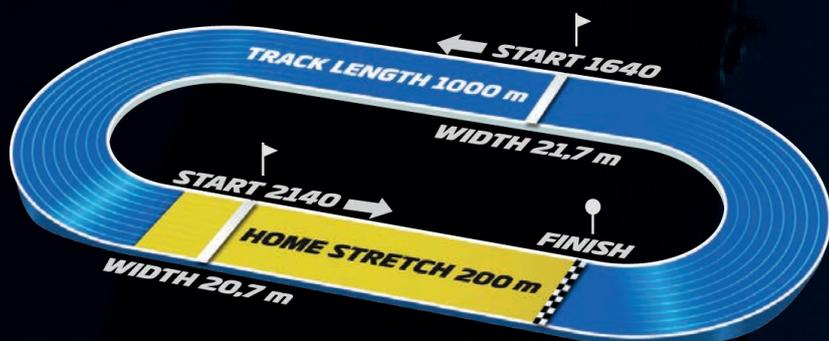

Best in Denmark. Showed great skills in Sweden and is a favorite to win the Elitloppet. Poor number.

Gender:	Stallion
Age:	6
Trainer:	Steen Juul

Greatest victory:	Danish Derby 2020, Charlottenlund

Is the most beautiful participant this year and the best Danish horse in many years. He is now ready to face older international opponents. As a young horse he won almost everything in his home country and scored a strong victory in the Derby. In Sweden he won both the European five-year-old Championships and Müllers Memorial on Jägersro last autumn. He likes to be driven by Björn Goop and after an inside journey in the last Paralympiatravet he finished very fast to second and had energy left. Trainer Steen Juul crowns his career with a start in Elitloppet today.
