

1. VIVID WISE AS

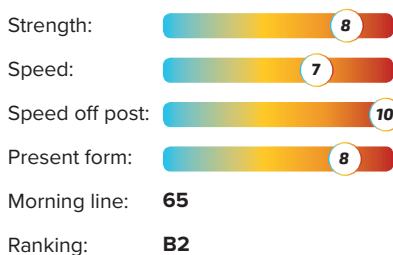

Needed the last run in the debut for Björn Goop. Is ideally drawn. Our winner.

Gender:	Stallion
Age:	6
Trainer:	Björn Goop
Driver:	Björn Goop
Life:	41 16-2-5
Record pace:	1.08,6
Prize money:	7 059 152 SEK
Winning %:	39%
Greatest victory:	Grand Criterium de Vitesse 2020, Cagnes-sur-Mere

The first horse to get an invitation to this year's Elitlopp after winning the big French race Criterium de Vitesse. Is a six year old who has been competing against international top horses during his whole career. Is trained by Björn Goop since the latest run but needed that one after a layoff. Has been able to adapt to the new Swedish circumstances and should be improved. Has got a perfect number which is worth a lot in this wide open Elitloppet 2020. Björn Goop is a top driver in big races.

3. DISCO VOLANTE

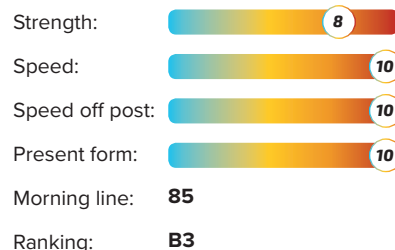

Is a very quick starter and this distance is perfect. Nice task.

Gender:	Gelding
Age:	7
Trainer:	Stefan Melander
Driver:	Carl Johan Jepson
Life:	61 25-5-4
Record pace:	1.09,9
Prize money:	4 305 665 SEK
Winning %:	41%
Greatest victory:	Second in Gran Premio della Lotteria 2019, Napoli.

Has been competing a bit under the radar but was second in Lotteria race last year and showed that he is a top sprinter. He has been outstanding in the Golden Division this winter and scored five wins and been the best horse in Sweden. Got an invitation to Elitloppet already last year but is certainly better now after meeting tough opponents. He can open extremely fast which makes him a nice outsider here. Carl Johan Jepson is also getting more and more successful as a driver.

2. SORBET

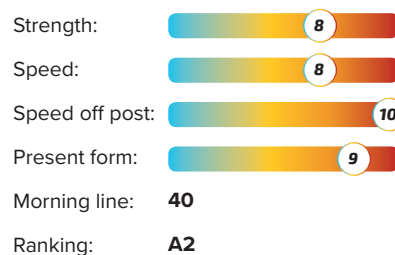

Undefeated over the short distance this year. Prefers to run in front and likes quick pace. Interesting number.

Gender:	Stallion
Age:	9
Trainer:	Daniel Redén
Driver:	Per Linderöth
Life:	58 17-15-6
Record pace:	1.09,8
Prize money:	6 621 026 SEK
Winning %:	29%
Greatest victory:	H.K.H. Prins Daniels lopp 2019, Gävle.

Was successful as a young horse but also a bit up and down due to injury. Showed last season that he belongs to the top when he lives up to his capacity. Earned 2.3 million SEK that year and scored his biggest win in H.K.H. Prins Daniel's race on Gävle. Was poorly drawn in last year's Elitlopp and never got a chance. Is back in good May form again and has got a much better number this time. Typical outsider. The short distance and fast pace suit this somewhat fiery horse. Per Linderöth makes his debut as a driver in a big race like this.

4. MISSILE HILL

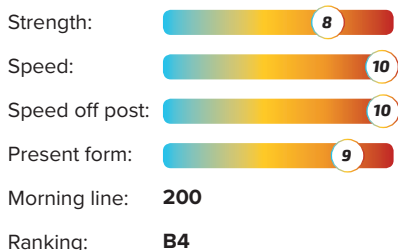

Scored an impressive win in the seasonal debut and the goal has been to be at his best today. Should be considered.

Gender:	Stallion
Age:	5
Trainer:	Daniel Redén
Driver:	Johan Untersteiner
Life:	37 8-4-6
Record pace:	1.09,2
Prize money:	2 417 758 SEK
Winning %:	22%
Greatest victory:	Fyraåringseliten 2019, Solvalla.

Has been very consistent and good for Daniel Redén since he came to Sweden. Has been at least third so far. He won a race during this weekend last year and scored his biggest victory then in Fyraåringseliten. As a five year old he has to prove his skills against the elite. He has scored two wins so far this year and this speedy horse seems to have improved a lot. Will get his baptism of fire in Elitloppet which is very interesting. Johan Untersteiner is a top driver.

+ 5.CHIEF ORLANDO

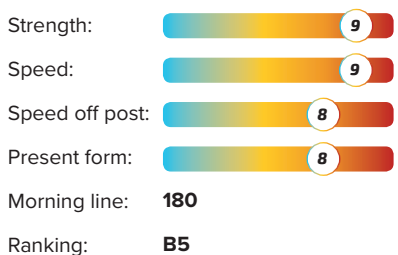

Won on Solvalla in april after a very fast opening to the lead and impressed a lot. Outsider.

Gender:	Stallion
Age:	7
Trainer:	Pia Huusari
Driver:	Rikard N Skoglund
Life:	65 18-16-9
Record pace:	1.09,8
Prize money:	3 251 705 SEK
Winning %:	28%
Greatest victory:	Silverdivisionen Final 2018, Solvalla.

Was born in Norway but has been competing for Finland during his whole career. In Sweden we discovered this fiery horse last season when he was splendid from outside the lead in Sweden Cup and just got closely defeated. He has run a couple of races this year and seems to have developed even more. Scored a very convincing victory in The Onion's race on Solvalla in April and got an invitation directly after. Rikard N Skoglund is still very young but he is already one of the better drivers in Sweden. They will certainly add color to this heat.

7.LOOKING SUPERB

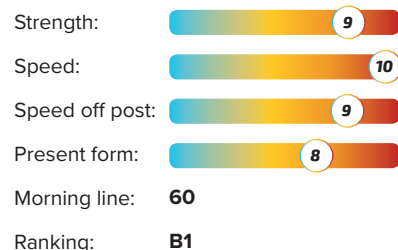

Has not been at his best yet this year. New trainer and has recharged the batteries. An outsider.

Gender:	Stallion
Age:	7
Trainer:	Frode Hamre
Driver:	Jomar Blekkan
Life:	74 17-8-11
Record pace:	1.10,2
Prize money:	6 614 823 SEK
Winning %:	23%
Greatest victory:	Second in Prix d'Amerique 2019, Vincennes.

Was an ordinary trotter in Norway before he was trained by French superstar Jean-Michel Bazire last winter. Was second in Prix d'Amerique then and also put in several top performances. He improved a lot and earned more than five million SEK that season. Galloped in the Elitloppet though on the way to a good result. Chases revenge this year and will compete for Norway again. Is trained by Frode Hamre and will be driven by former trainer Jomar Blekkan. The whole country will stand behind them!

6.MILLIONDOLLARRHYME

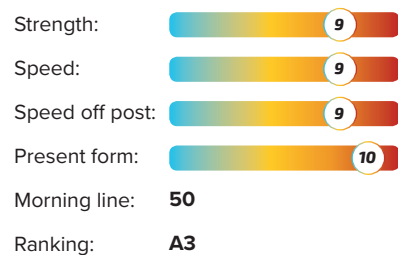

Has not really convinced so far this season but he has been prepared very well for this task on his home track. Could cause an upset here.

Gender:	Gelding
Age:	6
Trainer:	Fredrik B Larsson
Driver:	Fredrik B Larsson
Life:	36 10-4-5
Record pace:	1.09,2
Prize money:	3 098 500 SEK
Winning %:	28%
Greatest victory:	Swedish Championship 2019, Åby.

Made it to the Elitloppet from nowhere last year. He also made it to the final and put in a great performance. He improved a lot during the season and scored his biggest win during the autumn in the Swedish Championship. As a six year old he should be even more ready to meet the best opponents. Has not really convinced so far this season but is certainly well prepared now by Fredrik B Larsson to be in great shape. Has not shown everything yet and might run without shoes for the first time now.

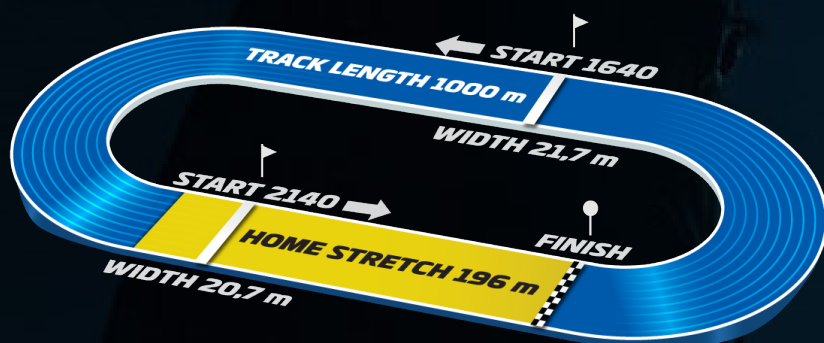

8.EARL SIMON

French horse who impressed a lot in the general rehearsal against the French elite. Can do it tough.

Gender:	Stallion
Age:	6
Trainer:	Jarmo Niskanen
Driver:	Franck Ouvrie
Life:	33 15-6-8
Record pace:	1.09,9
Prize money:	8 959 777 SEK
Winning %:	45%
Greatest victory:	Prix Octave Douesnel 2018, Vincennes.

He has earned almost nine million SEK so far but has been competing a bit under the radar during his career. He was third in the European Derby in 2018 and has met the tough E-horses in France after that. This winter he made it to the French elite and finished second in Criterium de Vitesse. His general rehearsal was the best of all horses in this field and he has gained a lot of respect. The horse is owned by Sweden but driver Franck Ouvrie has never competed in this country. One of the favorites to win the final.
